Overview #3

CONSISTENCY | PRODUCT

A revolutionary platform built from scratch.

An industry leading transformation that fully replaces the backend of race organisation – multiple niche users, working and collaborating together asynchronously, across devices and geographies.

Systemic change from the ground up, driven by UX process

A 5+ year programme working alongside BNP team members, transforming how international fund and securities work for internal fund managers and high net-worth clients. We:

- ✓ Mapped users and journeys across the business and across geographies
- ✓ Won stakeholder buy-in for transformational change;
- ✓ Embedded foundational UI design assets and UX methodologies
- ✓ Shipped game-changing products.
