

Employee Testimonial - Jacob

Our employee was asked why he chose KANT as his workplace

Name: Jacob Balling Engelsen Christensen

Role: Google Ads specialist

LinkedIn: <https://www.linkedin.com/in/jacob-balling-engelsen-christensen-823389159/>

Employment date: 1st of February 2023

—

I knew the four founders of KANT from a previous agency. The four founders are clearly the sharpest individuals in each of their fields, and therefore, the decision to join KANT was easy. This, combined with an opportunity to buy a stake in the company, their approach to clients, mutual profitability, and transparency, as well as the great flexibility one has as an employee at KANT, makes it by far the best workplace I have had.
